### Next General Meeting: Tuesday 3/10

Come hear plans for CRI's **biggest event ever** and find out how to get involved! This meeting will focus on **all-hands planning** for the *No Kings* national call to action. We need volunteers for a wide range of roles. We'll also cover basic safety and our commitment to peaceful protest, and if time allows, there will be poster-making supplies available.

**Parking Info:** Limited spots in the church lot - arrive early if you want a spot. Doors open at **6:30pm**. Street parking is available nearby, and the Patco lot is just ¼ mile from the church.

Be There or Be Square

### No Kings in Camden - March 28th

If you haven't heard yet: CRI is taking the No Kings march & rally to **Camden**! Still PATCO-accessible, but now we're showing up in a community hit hard by ICE crackdowns, where our Immigration team has built strong local connections through months of rapid-response work.

Camden also will let us take over the streets, and we've scored **Wiggins Park Amphitheater** for the rally - a stunning waterfront space to gather, connect with our communities, and make our voices heard.

Show Up for Camden

### Join The Creative Team at No Kings!

The time has come - I'm officially begging you to join the **puppet squad**! We're recruiting puppeteers for NK3.

We're looking for **puppeteers and folks willing to hold lightweight props**. Puppets will be greeting marchers as they arrive, led by our new protest band, **Brass Uprising**. The full puppet entourage can be checked out [here](#) - see if anything speaks to you!

Good news for the puppet-curious: this time we'll be stationed at the **RALLY point**, which makes logistics way easier and significantly cuts down time in costume. If you've been on the fence, this is a great moment to hop on board. And if puppets aren't your thing, there are plenty of other ways to help too.

Details are still coming together, but early commitments are a huge help. If you're interested, please fill out [this form](#) so we can keep you in the loop.

### Upcoming Build Days

Friday, March 13th in Cherry Hill

We're very excited to be working in this new space again! **Tables and chairs galore!** Huge thanks to the Unitarian Universalist Church for letting us use it for free.

When you arrive, look to the right for a small, standalone building called **Hillside House**. A paved ramp with railings leads to the entrance - take the stairs immediately to your left to reach the **lower level** - and you're all set!

Check out our shiny new [Build Day Schedule for 2026](#) to see what we have planned. We'll keep adding dates and ideas as they come up. *Core supplies will be on hand, and we supply what we can with donations - take a quick look before you come in to see if there's anything you'd like to bring along!*

### Progress + Highlights

Feel free to **share your art with us** - We love seeing what you're creating and sharing it for inspiration!

We had a **PACKED** House last Friday. At **35+** people crafting together, it might be the most people we've ever had! Below, the team is hard at work on **monarch patches** for our **Rapid Responders**.

The crew crafting more anti-ICE monarch signage.
