🌟 Progress + Highlights

👉 Poignant and powerful work by CRI Creative team member **Kandy**, highlighting Haddonfield's proposed ordinance to criminalize homelessness.

🧵 **Stitches for Solidarity**, a CRI Creative team sector, recently held their inaugural session! The next session will create 'Embracelets' bearing the names of detained individuals to spotlight inhumane treatment. For more info contact **Deb** at exit4nj@comcast.net.

🎨 Alongside election-related projects, the CRI Creative team is also going after **ICE**—check out this sketch for the "Carousel of Cruelty".
