Progress + Highlights

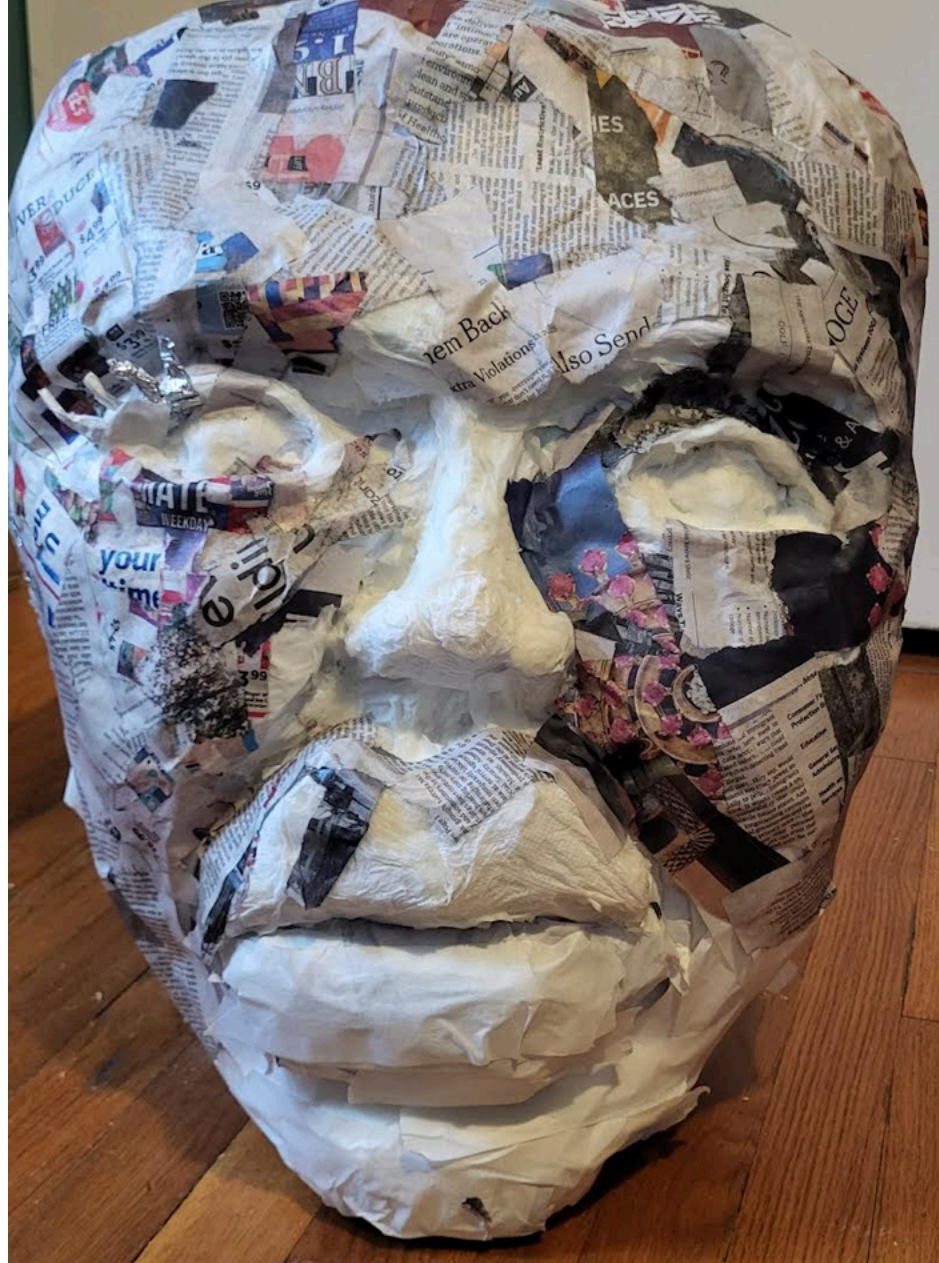

One of our most ambitious project yet: **The Carousel of Cruelty**. A carnival ride like no other, it is designed to shine a light on the brutality of ICE. Below are the first steps in bringing this creation to life.

Carousel animals in progress!

The **Kristi Noem** puppet head takes shape!

Jeannine's sketches for a **Jack Ciattarelli marionette**—brilliant, powerful, and making clear connections between him and Trump.

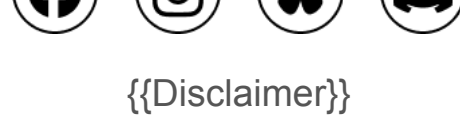

Leslie working her magic: The **carousel top** is nearly ready—and it will spin! 🎪
