The first opportunity since Kamala lost to strike a blow against MAGA was [the Wisconsin Supreme Court race in February](#). That race, made famous by Elon Musk and his millions, was a huge victory for the Democrats, which resulted in Wisconsin [women defending their reproductive freedom](#), in Wisconsin teachers [getting their union bargaining rights](#) back, among other wins.

Along with Virginia, the next battle runs right through our beloved state of New Jersey. The stakes in this race are just as high. The future of our state will be determined in a few short months.

And CRI is ready to rock. We're kicking off our election efforts this Thursday, August 28 at 6:30pm at the Scottish Rite. Dale Caldwell, the Lieutenant Governor candidate for the Democrats this fall, and Mikie Sherrill's running mate, is joining us to speak with the crowd. This is an incredible opportunity for us to hear from the future leaders of our state and to ask questions about their vision for New Jersey.

We will debut our plan for this fall's election and how you can hit the streets, hit the phones, hit the texts, and deal another body blow to MAGA.

August 28 Meeting

Join us at the Scottish Rite on 8/28 at 6:30pm. It's time to strike back at MAGA right here in our home state.
